FIFTEEN CENTS

Hopefully the tax bills will be mailed next week

Hopefully, the people of Wilmington will receive their tax bills next week - the last of the tax bills to be mailed out as a result of the 1973 Town Meeting.

Hopefully is the word. The principal assessor is working on the final figures. Then the bills have to be made out and mailed.

The bill to be received is, technically, the first tax bill of 1974. There will be a second tax bill, in July, based on the Town Meeting just past.

The "first" tax bill will be 50% of the tax bill received by property owners last October, minus a small percentage, based on the increased valuation of real estate in Wilmington as of January first.

The "second" 1974 tax bill may be for a full year, or may be for only six months. The final decision is to be made in the State House and to date, that decision has not yet been made.

About \$16,000 missing after bank holdup

Approximately \$16,000 was taken in a robbery which took less than one minute, last Thursday, at the Wilmington office of the Melrose-Wakefield Trust. Three, or possibly four youths were involved. No one has made an estimate of their ages, other than they appeared young. All were wearing ski masks.

Three men entered the bank and two leaped over the counter, at about 10:55 am. The man who stayed near the door was armed with a pistol. No weapons were seen on the other two.

The men seemed to have knowledge of the bank, for they demanded "the hundreds" that had recently been brought in for the day's business. The money was

stuffed in a coarse bag, which perhaps was a canvas laundry bag. The men vaulted the counter for a second time and went out.

Sgt. George Shepard, and Inspectors Dan Ballou and John Harvey of the Wilmington Police Dept. are in charge of the investigation. The FBI was called in because of the FDIC insurance membership of the bank.

MBTA Terminal being studied

The Massachusetts Bay Transportation Authority has started studies to determine its ultimate terminus for the commuter line which connects Reading with Boston. A determination is to be made sometime in the fall.

Three terminal sites are being studied - the present one in the Center of Reading, one that would be on the Wakefield line near Route 128, and a third one, that would be at the Reading-Wilmington line, near Route 93. Only one, of course, will be named.

The Boston & Maine Railroad formerly owned land near the junction of Route 93 and Lowell Street. Speculation has named this to be a parking lot, if the terminal site chosen is at the Reading-Wilmington line.

Reading's Planning Board has voted an appropriation of \$28,000 in the Reading Town Meeting last week, to study the proposed commuter rail expansion, and the League of Women Voters, in that town has already initiated a study on the same subject.

Muddy Water Would starting the pumps at the Aldrich Road wellfield have made the vote different?

During the past few years there has been an increasing amount of muddy water in the Wilmington mains, caused mainly by iron deposits. A year ago the Board of Water Commissioners asked for a town vote enabling them to study the subject and make recommendations. The town so voted.

In the past year the problem has become worse, and there were at least two indignation-type meetings, one before the Board of Selectmen and one before the Water Commissioners, complete with glass jars showing samples of the muddy water, etc. About 100 homes were affected, in different parts of the town, and with many in the Aldrich Road area. A Wilmington selectman took an active part in the hearings.

The water commissioners went ahead with their studies, employing the firm of Whitman and Howard. The result was a recommendation to build a water treatment plant, down by Butters Row. An article was prepared for the Town Meeting, asking for \$2 millions.

The Superintendent of the Water Department had charted the homes from whence came the complaints, as part of a program

to determine the difficulties. Partly as the result of this the Aldrich Road pumping station has been shut down as the water being pumped was not needed during the winter months.

Came the Town Meeting and the vote was 173 against, and only 31 in favor of a water treatment plant. The Water Commissioners asked themselves "Where were those people who have muddy water, and who were complaining?"

Memorial Library Pre School Story Hours begin April 23

Now is the time to register the pre-schoolers for the once-a-week Story Hours at Wilmington Memorial Library. Designed for four and five year olds, the story hours are scheduled to begin on April 23.

The youngsters will be introduced to stories, songs, poems, and crafts through the use of books, filmstrips, records and other media. There will be a five week session, scheduled to end

GIRL SCOUT INTERNATIONAL FAIR

Girl Scouts from Wilmington and Tewksbury will present an International Fair at the Congregational Church in Tewksbury Center on Saturday March 30th.

Holland, Africa, Austria, Switzerland, Ireland, Denmark, France, Philippines, United States, American Indians, Alaska and Hawaii will come to life by means of colorful table displays, dances, songs and short plays.

Senior scouts will show films of their varied activities and a representative of the Merrimack River Girl Scout Council will be present to show films of summer camp in the councils five camps.

This colorful, informative day will begin with an opening flag ceremony at 10 am and will continue until 3:30 pm when colors will be retired.

A tea room will be in operation throughout the day, where snacks and lunch will be sold. The public is invited. Admission is free.

MAYBE THEY WERE JUST TALKING

The Town Crier has received inquiries as to why two Wilmington Police cruisers and a State Police cruiser were parked at Jenks Bridge, Sunday at 5 pm. Jenks is the place on Woburn Street in Wilmington where the Ipswich River starts.

There is no real answer. Maybe the boys had stopped to use if any trout had been planted by the state, in the Ipswich. Maybe they were exchanging notes on a Reading Police call of ten minutes earlier, saying that Reading was looking for a young man on an unregistered motorcycle. Maybe they were just talking.

May 24. Two separate groups are to meet, on Tuesday and Wednesday mornings from 11:00 to 11:45. The groups are to be limited in number.

Parents are advised to register at the Children's Department of the Library or to telephone 658-2967 as soon as possible. Registration for the Summer Program for pre-school children is to be in May.

VICE PRESIDENT OF MASS. PROFESSIONAL PHOTOGRAPHERS ASSN.

James McFarland of the Jamesway Studio in North Wilmington is now Vice President of the Massachusetts Professional Photographers Association. Mr. McFarland was installed as First Vice President during the annual meeting, held recently in Worcester. He will be responsible for the educational programs to be presented to the membership during the coming year.

Ruth, Jim's wife, served on the Print Committee, and was responsible for preparing all photographs for the Print Competition, to be judged by nationally recognized Masters of Photography.

Jim's award winning portraits are on display at the Jamesway Studio.

Improved communications sought School Committee proposes regular meetings in the various schools

The Wilmington School Committee will no longer conduct their "regular" meetings in the Roman House. Instead, all meetings except "special" ones are to be in one or another of the schools, throughout Wilmington, starting with the regular meeting of April 11, which is to be held in the Woburn Street School, starting at 8 pm.

Changed is the format of the School Committee meetings. One and one half hours, starting at 9 pm will be set aside for parent participation. Hopefully, there is to be a Parent Advisory Committee, in each school, and the Superintendent of Schools and School Principal are to meet with the advisory committee, prior to the regular meeting to help set up an agenda for the meeting. If there is no Parent Advisory Committee the Superintendent and Principal are to draft a few items, it is hoped, will be discussed with the parents who attend the meeting.

A letter is to be sent home, via grade school children, announcing each of the meetings in the various schools, in order that parents may plan to attend.

Being programed in the meetings are the regular twice monthly meetings of the Wilmington School Committee.

The meeting in the Woburn Street School will be followed on April 28th with one in the West Intermediate School.

The idea has been tried before in Wilmington, but not with plans for a Parents Participation group, nor with the format proposed for the meetings. As proposed, the regular meetings will begin at 8 pm and go to 9 pm at which time the Parents Group will be recognized, and the meeting will be to discuss subjects in the parents' agenda until 10:30 pm. At 10:30 pm the regular meeting of

the School Committee will resume, with the parents being urged to remain.

Superintendent of Schools Walter Pierce is hopeful that there will be a representative from each of the school advisory committees, to attend the regular school committee sessions.

He is also hopeful that a member of the Student School Committee could be responsible for writing an article describing the outcomes of each School Committee meeting, for the high school newspaper, the Wildcat.

Follow Up. Another innovation is to be a "follow up" on Friday mornings, after the School Committee

meetings. Beginning on April 12th, a Friday, time from 8:30 am to 10:30 am will be set aside in the Superintendent's office for the purpose of answering by Central Office Administrators, questions about the meeting, or about the schools in general. Any subject pertaining to schools may be discussed.

Mr. Pierce has called upon the individual principals and teachers to immediately begin the planning for a series of meetings with parents, in an effort to communicate with the parents of the schools. Particular emphasis, he says, should be placed on the High School, the meetings should be

conducted during school hours, and in the evening.

Coffee Hours. Also being planned are a series of coffee hours to be held in the various neighborhoods, rather than in the schools. This is a type of program which has been tried in other parts of the country, and is described as having met with success.

The coffee hours are thought of as informal question and answer sessions, with school school committee members attending if their schedule permits.

Walter Pierce is also proposing to investigate the possibility of acquiring "free time" from Radio WCAP in Lowell, or Radio WLLH, Lowell - Lawrence. One hour, every two weeks, he thinks would be an ideal way to present a thirty minute program and allow an additional thirty minutes for telephone participation by parents.

Administrators and directors could participate in such a program.

Pierce is also proposing, on a long range program, the use of CTAV Channel 13, when that station gets operating in Wilmington. He thinks it could be an outlet toward better communications toward the home. At the present time the CTAV system is serving only a few homes along Chestnut Street, Burlington Avenue and Roberts Road.

One Man Board of Appeals

BILL CAPERCI: The one man Board of Appeals, Tuesday night, in the Town Hall Annex, Mr. Caperci listens to a case, while the young lady of right watches the tape recorder at work. At left is Charles Lawrence, Building Inspector.

The Wilmington Board of Appeals found itself in a unique position Tuesday night. There was plenty of business, but not the required number of members to hear the cases.

Member Bill Caperci of Birchwood Road was the only member present, in the Town Hall Annex - formerly the public library. There were twenty or more persons ready at 7 pm to present their cases for appeal.

The chairman of the board had been held in his office in Boston by an overload of work. The third member of the Board of Appeals was sick. No alternate members were present.

So Bill went ahead and held the hearings, recording it all on a tape recorder, and hoping that his actions will be held to be legal. The other members, he told the appellants present, will listen to the tapes, and then collectively, if possible, there will be a judgement. Hopefully, that judgement will have the full force of law.

There is an earlier case of a board tape recording the evidence, so that absent members could listen later - but that board was not a quasi-judicial board, as is the Board of Appeals. Town Counsel Alan Altman, in that former case, ruled that the tape recording was sufficient evidence for the absent members to use, in arriving at a judgement.

It is possible that the three "alternate" members were not present because their term of office had expired, and the selectmen had not yet made the 1974 appointments. Their term of office expired a week ago. In ordinary circumstances a person holding an appointive office continues until his successor is appointed. There may have been other conditions in this instance.

Generally speaking, on any night the Board of Appeals meets there are four or five, sometimes even six members present - regular and alternate combined.

Now, however, Bill Caperci has set some kind of record. He is the only One Man Board of Appeals ever to "sit" in Wilmington.

Redevelopment Authority has land for sale

The Wilmington Redevelopment Authority has moved into the sales part of its program.

Letters have been sent to prospective bidders, offering the property off Edmes Street for sale.

The property has 29 acres of industrially zoned land, with sewerage facilities, and has a spur from the Boston & Maine Railroad. Title to the property is invested in the Redevelopment Authority, and through the Authority in the Town of Wilmington.

The Redevelopment Authority was voted by the Town, in the Town Meeting of 1966. The Wilmington Chamber of Commerce initially proposed developing the area, and was instrumental in getting the Town Meeting to accept the idea of developing an area of tax title land.

In a recent meeting Raymond McNamara of Middlesex Avenue was elected to the position of chairman. Mr. McNamara has been a member of the Wilmington Redevelopment Authority since its inception in 1966.

William Butt of West Street was elected Vice Chairman. Sidney Kaiser was elected Treasurer, and Carl Backman Jr. newly elected to the authority, was elected Assistant Treasurer.

Mr. Backman was appointed Acting Director, for the coming year.

KEVIN L. WRIGHT DIED IN BOSTON

Kevin L. Wright of 303 Woburn St., Wilmington died on Sunday afternoon at Massachusetts General Hospital where he was taken after being stricken ill while in Boston.

Mr. Wright, who was 22 years of age at the time of his death, was born in Boston, the son of Donald R. and Mary B. (Britto) Wright. He had been a resident of Wilmington for the past 12 years. Mr. Wright is survived by his parents of the Woburn Street address, his three brothers: Donald A. of Sudbury, Ronald W. of Matapan and Michael L. of San Diego, Calif.; his three sisters: Mrs. Geraldine C. Woods of Dorchester, Mrs. Katherine G. Hamlett of San Diego, Calif. and Miss Judith A. Wright of Wilmington; also his maternal grandfather, Joseph Britto of New Bedford.

The funeral was held from the W.S. Cavanaugh & Son Funeral

Home, 374 Main St., Wilmington on Wednesday morning at 9:15 followed by a Funeral Mass at St. Thomas at 10, celebrated by the Rev. Ernest Pearsall. Burial took place in the family lot, Wildwood Cemetery.

PATRICK J. DOHERTY SUMMER RESIDENT OF WILMINGTON

Patrick J. Doherty of 26 Allison St., West Medford, died at his residence on Friday following a prolonged illness.

Mr. Doherty, who was born in Boston, was the son of the late Daniel and the late Catherine (Devlin) Doherty. He had lived in Charlestown prior to moving to West Medford 35 years ago. He had been a summer resident of Beeching Ave., Wilmington for more than 40 years. Prior to his retirement, he was employed by the City of Boston Penal Department.

Mr. Doherty was a veteran of World War I, had served as Post Grand Knight of Bunker Hill Coun-

cil No. 62 Knights of Columbus, was a member of the American Legion Post No. 128, Charlestown and Charlestown School Boys Association.

He is survived by his wife, Mrs. Josephine V. (Burke) Doherty; his two daughters: Mrs. Elaine Bradley of Winchester and Mrs. Katherine McLean of Burlington; two sons: Walter E. Doherty of West Medford and Walter E. Burke of West Medford, his sister, Miss Cecelia F. Doherty of Medford, his brother, Daniel F. Doherty of Medford and his eight grandchildren.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main St., Wilmington on Monday morning at 9:15 followed by a Funeral Mass at St. Dorothy's Church at 10, celebrated by the Rev. Father Joseph Leahy. Burial took place in the family lot, Oak Grove Cemetery, Medford.

BERTHA M. MERRILL PAST MASTER, WILMINGTON GRANGE

Mrs. Bertha M. Merrill, of 304 Chestnut Street, Wilmington died enroute to Choate Memorial Hospital, where she was taken after being stricken suddenly at her home on Saturday afternoon.

Mrs. Merrill, who was 80 years of age at the time of her death, was born in Ashburnham, Mass., the daughter of the late Martin and the late Grace (Baxter) Richardson and had been a resident of Wilmington for many years.

Mrs. Merrill, who was a registered nurse by profession, was a graduate of the Marlboro Hospital Household School of Nursing. She was a member of Wilmington Rebekah Lodge No. 108, Billerica, Past Noble Grand Elizabeth Rebekah Lodge, Wilmington; Past Master Wilmington Grange and a member of the Wilmington Golden Age Club.

Mrs. Merrill is survived by her husband, Francis E. Merrill, her two sons: Francis E. Merrill, Jr. of Gilford, N.H. and George B. Merrill of Wilmington; also her seven grandchildren.

Letters

Dear Larry:

My name is Stephen DeGraffenreid. I served overseas in Vietnam with the Fourth Infantry Division for a year, and elsewhere with the U.S. Army.

In the summer of 1972, after leaving the US Army, I was working for the firm of Raffi and Swanson, on Eames St., Wilmington. One evening, about six o'clock I walked up the railroad tracks to Main Street, my customary way to walk home, and there were a couple of friends in the parking lot, by the Town Memorial Park. I stopped to chat with them, and had a sip of beer. There was no more drinking, nor were there any drugs or anything else.

Then, out of the woods, came some state police, in civilian clothes. I estimate that twelve men came running out of the woods. They said they had a warrant for my arrest. They did not know me - except for Officer Bailou. They started searching me.

I went out of control - I snapped. I was, as I said, just back from Vietnam - about three weeks.

About six or eight of the police closed in on me, to put on handcuffs. The handcuffs that were used were those of Officer Bailou. They were tight, and they hurt.

I was put in a police cruiser, and taken to the station in Wilmington where I was put in a cell. They said I was drunk and disorderly - and this, just after I had gotten out of work.

There was nothing to do, so I went to sleep. About 3 am I woke up, and I was released. I think I signed a "release form."

I was not aware that the release form was a standard confession of being drunk. As I say, I had not been drinking, other than that sip of beer after I had left the Raffi & Swanson plant.

I am still disgraced by that episode. I did nothing wrong. In signing that release I did not realize what it meant. I was robbed of my dignity.

An account of this appeared in the Town Crier, and in the same week there appeared an obituary of my mother. This was not pleasant, for me, nor for my friends. Wouldn't it be a question of justice for the people of Wilmington to know my side of the story?

Yours sincerely,

Stephen DeGraffenreid
As Mr. DeGraffenreid reports, an account did appear in the Town Crier. The Town Crier is happy to present Mr. DeGraffenreid's account of the episode.

Dear Larry:

The Wilmington Skating Club thanks you and the dedicated workers of your sports department for the great coverage the youth hockey program received this past season.

The consistent and accurate reporting of the intramural and traveling team activities and standings has been an important contribution toward the continued interest and enthusiasm for the total hockey effort.

Special thanks for last week's superb record of the intramural wind-up.

Sincerely,

David E. Wiberg

THE N.O.W. ACCOUNT

With this Account, you don't have to come to the Bank to make a withdrawal - to pay bills or do other things generally done with money-orders or checks. You simply write a draft (check) and it's done - wherever you are; at home, in a store, or anyplace.

PLUS, your money earns 5% a year interest for you in this Account - and we add this interest to your Account monthly.

We've wanted to have the great convenience of this service for the people of our communities for a long, long time - and NOW you can have it! The things you've likely been accustomed to doing with some type of bill-paying account, you can now do with this Arlington Five N.O.W. account. Each draft (check) you write is 100%, but not until you write it. There is no monthly service charge. On the contrary,

we pay you 5% a year interest, compounded monthly, but with the added convenience of being able to write what we call drafts (like checks or money-orders) whenever you want.

To complete this convenience, we mail you every month a simple Statement showing all your deposits to this Account; all the interest they've earned for you; a listing of your paid drafts (checks); and return the paid drafts for your personal records.

As always, you continue to use your Regular Savings Account and any other Accounts you have, building them up as fast as you wish with deposits and our monthly compounding of interest. Any and all such Accounts are entirely separate from our handy N.O.W. Account.

Structural glass is actually a kind of plate glass.

Since it is used in the actual construction of buildings, it is of much greater strength than plate glass.

Structural glass can be used in a number of ways, however.

Interior and exterior surfaces can be constructed of it, but it can also be used for walls, counter tops, small barriers and room dividers.

It's usually made from frosted, or with color integrated into it. One side has a polished surface, the other is rough. When attaching it to walls, a special plastic cement is used.

Many items are featured at Sweetie Home Courtesy Center, 615 Main St., Wilmington, 68-2001 including paneling. We have over 150 sheets on display by Weldwood, Royalco, Barclay, Georgia Pacific and Abitibi.

BankAmericard and Master Charge are honored and we provide free delivery service. Hours: Daily 9 am to 5 pm. There is plenty of parking in our lot.

Helpful Hint: Glass should be cut on a large level surface covered with felt, or an old rug.

PIERRE THE PELICAN WILL ASSIST EXPECTANT PARENTS

The Wilmington Board of Health in cooperation with the Lowell Mental Health Association is initiating a new post-natal preventive mental health educational program. It is called "Pierre the Pelican" and consists of a series of 12 educational pamphlets distributed on a monthly basis to parents of a first child, beginning at birth.

The purpose of the Disney-like character (Pierre the Pelican) is to provide all parents of first born children with the best current ideas on child care (beyond the area of physical development) through the infant and preschool years. Various teaching techniques, such as repetition, guidance in anticipation of a problem, and space learning, are used to help parents understand their child and to cope with problems that are a part of parenthood.

If you are expecting your first child and are interested in this program, contact the Wilmington Board of Health at 687-7511.

A Town Crier reader remembers

Dear Lars:

For heaven's sake don't print my name - just a few things I have on my mind. - Do you Remember?

I'll bet there are a few "old timers" like me who will. When there were trolley car tracks (remains) of Shawheen Ave., and they came out where Sweetheart Plastics is now? I can still see a "spike" in that path.

When there was a "glacier" up in North Wilmington?

When there was a board walk down on Main Street, where Wilmington Grain is now - also when the Post Office was where Bedell's Insurance is now, and you could buy Spruce Gums there? Also the fountain in front of the Hiller House? I don't think I ever saw it working, but it was pretty.

Do you remember the sweet smell of the grass on a summer's evening when Herb Barrows had cut the field where Avco is now? When Wilmington had its Tercentennial celebration, and they put up a huge tent on the Common and had lots of tables and entertainment. They had a pretty good parade, too.

I also remember Pa Nelson's big swing on the elm tree. It took your breath away, when someone gave you a big shove.

Do you remember Mayde Gray doing a swell acrobatic for a Gowing Reunion?

I can remember sliding down the Hiller tomb, in the cemetery and ruining our silk panties while we were waiting for the old magic show at the Grange Hall.

Whoever drew the picture of the old church isn't exactly correct, because my own grandmother often told me that they kept the bell ringing as long as they could while the church was burning - she didn't put a steeple on it at all.

Let's go backwards:
1. That drawing of the church was by a very accomplished artist, Ann Terrante of Wildwood Street. She drew an accurate picture of the first church, built forty years before the American Revolution.

The church to which you refer was the third structure, built in 1814. It burned down in 1863, during a magician's show. The Town Crier never before heard of the ringing of the bell during the fire, but it sounds almost reasonable.

2. The Hiller tomb stood at the Wildwood Street entrance to the Wildwood Cemetery. It was in pretty sad condition when it was leveled in 1933. The Town Crier has pictures of the caskets at that time.

3. 4. 5. & 6. The Town Crier does not remember Mayde Gray. The big swing on the elm tree - maybe. The tent on the common - that was about 1933. Ernest Currier, up on

THE LATE BILL ANDREWS: Who was in the Grounds Maintenance Crew for Wilmington High School, photographed in front of the iceberg at Sciarappa's, probably in January or February, 1941. Bill also worked at cutting the grass where Avco is now, for the late Herb Barrows.

Shawheen Ave. took part in the parade, and built a replica of a canal boat. The sweet smell of grass at where Avco is now - that went on for years and years.

7. The fountain at the Hiller House. It stood in front of the house, and was never used after Frances' death, and for several years before her death. She died in 1903, so it isn't surprising that you never saw it work.

8. & 9. The old Post Office, and the board walk. Yes, the Town Crier remembers. 10. The "glacier" up in North Wilmington. That was about 1940, when something went wrong with the hydrant near

the Sciarappa Farm, on Andover Street. There was quite a pile of ice, over twenty feet up in the air. It was quite a picture.

11. The old trolley car tracks. Yes, Ray Fenton, father of Al Fenton of Fenton Realty was one of the motemen who ran electric cars to Billerica, as well as another man by the name of Steamboat Parker, so called because of the high pitch of his voice. One of the street cars was named (nicknamed) Old Betsey. The Town Crier has pictures of several of these old cars. The path to which you refer - that was the tow path from the old Middlesex Canal.

SPORTS

Hoop tourney opens tomorrow

The fourth Annual Recreation Basketball Tournament gets underway tomorrow evening at the high school gymnasium with three games on tap. Twenty-five clubs have entered the tourney this year, this is an increase of five over the 1973 affair.

In the divisional breakdown there are six men's teams, including the defending champion Wilmington Ford quintet. The boys intermediates have four clubs, while the junior and senior boys have four and five respectively.

The girls are not well represented as only four squads will vie for the junior crown and in the senior loop two teams will square off for the title.

This tourney is sponsored by the Recreation Department with Recreation Director Ron Swasey and Basketball Supervisor Howard Lafaver serving as chairmen of the affair.

The pairings and game times are listed as follows:

Fri. March 29
6:00 pm Bombers vs Northstars (Junior Girls semi-final).
7:15 pm Associates vs Horseshoes (Senior Boys quarter-final).
8:30 pm Compugraphics/Newhouse (Men's quarter-final).
Sat. Mar. 30
10:00 am Hawks vs Marvin's Maulers (Intermediate Boys semi-final).
11:00 am Black Knights vs T.C. Sports (Junior Boys semi-final).
12:00 pm Hot Shots vs Wilmac (Junior Girls semi-final).
Sun. Mar. 31
3:30 pm Elites vs Pacers (Intermediate Boys semi-final).
4:30 pm Warriors vs Shamrocks (Junior Boys semi-final).
5:30 pm DJPT's vs Oddballs (Senior Boys semi-final).
6:45 pm Brewers vs Associates/Horseshoes winner (Senior Boys semi-final).
8:00 pm K of C vs Lucky Ducks (Men's quarter-final).
Tue. Apr. 2
6:00 pm Intermediate Boys final.
7:00 pm Junior Boys final.
8:00 pm Super-Stars vs K of C/Ducks winner (Men's semi-final).
Wed. Apr. 3

7:00 pm Analog Devices vs Simmons A.C. (Senior Girls final).
8:15 pm Wilmington Ford vs Compugraphics/Newhouse winner (Men's semi-final).
Thu. Apr. 4
7:00 pm Senior Boys final.
8:15 pm Men's final.

WILMINGTON RECREATION TIDBITS

Coaches Needed

The Recreation Department is currently finalizing plans for another comprehensive summer Recreation program for all residents of Wilmington. Many of the programs do need volunteer assistance of those willing to get involved, especially with coaching teams of teen age and younger people.

Coaches are needed for the girls' softball intramural league as well as the two traveling teams in the Northwest Suburban Softball League; girls' ice hockey intramural league; boys intramural softball league; and the boys entry in the Northeast Baseball League. Persons interested should contact Rec Leagues Coordinator Bob Dacey (658-5239) or the Recreation office (658-6512).

High school dance lessons

A five-week series in ballroom dancing will be offered to high school persons beginning Wednesday evening April 3 from 8:45 to 9:45 at the Woburn Street School cafeteria.

Any couple wishing to sign up should do so by calling the Recreation Department (658-6512) or by seeing Jeannine DeFilippo at the high school.

With junior and senior proms rapidly approaching these lessons offered for \$3.00 total per couple serve as a fine chance to brush up on dances such as the hula hula, snoopy, Greek dances, waltz and fox trot.

Summer Applications

Those people ages 16 and over who are interested in working this summer for the Recreation Department should obtain an application and return it by April 1.

Positions are available on the playgrounds, at the beach, supervisors of each, plus arts 'n' crafts, drama and teen activities.

Basketball...

Wed. March 28... Converse Rubber slammed Analog Devices for the second time in three nights, 71-55. The orange men never trailed, posting leads of 10-10, 24-23 and 45-47 at the quarter marks. Gabe Almeida took game-high scoring honors toasting in 31 points for Converse, while Rich Cassett chipped in with 12. Marshall Case and Tim Ricker added 11 each for the winners. Gene Babin paced the Analog attack scoring 10 points. Doug Smith, chipped in with 11 and John H. Verman added 10 for the losers.

Fri. March 29... The Crystals came from behind to whip the Rubys, 28-23, while clinching fourth place in the senior girls' loop. Ellen O'Neil broke to lead in 10 of her 12 points in the second half to lead Coach Butler's quintet. The Crystals came from a 15-4 half the deficit to pull out their fifth straight win. Kathy Hall and Cindy Rose chipped in with four each for the winners, while Mary Lou Simmons led the Rubys with 10.

In the second game of the evening, Dick Mulino's Pistons outscored the Lakers, 41-35 to move into second place in the senior boys' division. A strong first half

effort provided the Pistons with their seventh seasonal triumph as the blue and white led 27-20 at half time and this lead was enough despite a 35-34 second half advantage by the Lakers. Bob Walsh led the Pistons with a game high 25 points and Pete McNaughton added 18. Steve Woods and Jim Stewart led the Lakers offensively with 20 and 19 respectively. Woodie tallied 14 and Stewart 11 in the second half Laker surge.

Mon. March 25... In the final senior girls' clash of the season, the Diamonds put forth a strong team effort defeating the defending champion Jades for the second time in three outings, 31-23. Kathy Barry (10) and Diane Cook (nine) led Coach Burke's club, but the difference was the inept free throw shooting by the Jades.

Coach Hastings' squad was successful on only four of 15 charity tosses and this did not help the divisional champs. Barbara Moulton paced the Jades offense attack with eight points, while Laura Miller, Sissy Sughrue and Laurie Hastings added four each. The second game on the program saw the Knicks overcome a three point half time deficit to beat the Celtics, 36-33. Guy Schiavone and Dave Maloney scored 14 and 12 points respectively to pace Coach Hanna's champs. The Celtics were led by Ed Maloney (14) and Mark Smith (12), but Coach Maxwell's bench could not match the Knicks and this was the difference.

Tue. March 26... Wilmington Ford upset the Lucky Ducks, 65-64 on the strength of Steve Donahue's 20 foot jump shot with two seconds left in the game. The win gave Ford a share of third place in the Ducks, as each finished the season at 10-5.

Coach Hanna's club jumped out to a big 23-10 opening period lead as the green and white could not get their offense going. In the second frame Coach Casey's quintet put the wheels in motion outscoring Ford, 20-15 to create a halftime deadlock of 38-38.

Behind the shooting of Bill Jensen, 15 points, Ford went up by five, 60-55 in the third stanza. The Ford unit increased their margin to seven, 81-78 with only 1 1/2 minutes to play, but the Ducks led by Paul Abare scored six straight unanswered points to take an 82-81 lead. Donahue put the purple club back in the lead 83-82 with fifty seconds left. Then the Ducks forged ahead with 23 seconds left on a pair of Abare free throws. This set the stage for Donahue's heroics.

Abare took game high scoring honors toasting in 37 for the Ducks, while Jensen and Donahue lit for 23 and 21, respectively. Jim Maxwell chipped in with 20 for Ford, while Jim Thibault and Vinny Shano added 20 and 14 each for the Ducks.

In the nite cap of the evening's twin bill, the Super-Stars broke open a close 60-54 game in the final stanza to whip Newhouse, 66-68 to cap their third straight divisional title.

Gemo DiSarcina led the Stars offensively with 20 points, while Ed Doherty (16), Paul Lyman (13), Tom Beaton (11) and George Pratt (10) contributed to a well balanced

WILMINGTON ADULT HOCKEY

The Wilmington Adult Hockey League concluded its regular season of play on March 28 with a twin bill at the Arena. In the opening game of the Tewksbury-Wilmington series, Vikings-Flyers tandem pulled out a 7-6 overtime thriller to take a 1-0 lead in the best of seven game set. The series continued last night at the Youth Ice Arena and will run every Sunday and Wednesday evening at 10 o'clock until a winner is determined.

KEEPING AN EYE: On things is WAHS Commissioner Jack Cushing in last Saturday's series opener at the Arena.

Wed. March 28... The Flyers snapped their short two game losing slide while handing the Vikings their fifth straight setback, 4-2 in the first game of the evening's twin bill. Brian and Tim Walsh paced the winners as Brian had a pair of goals and Tim one marker and an assist. Mark Bullock chipped in with a goal and an assist to aid the cause. Wayne MacDonald and Tim Mazzapica scored once each for the last place Flyers.

In the nite cap the Vikings edged the Bulldogs, 3-2 to snap the league champs seven game unbeaten streak. Wayne Hamilton (two) and Jim Irwin provided the fire power, while goalies Ray Deschamps and John Sullivan held off a late Bulldog rally. Jim Donahue scored both of the Bulldogs goals, but it was not enough.

Sun. March 24... Wayne MacDonald's second goal of the game 1:53 into the first sudden death overtime period proved to be the difference as Wilmington sneaked by Tewksbury, 7-6 to take a 1-0 series lead.

The contest was tied on four different occasions and it was not until late in the middle frame that Wilmington led. Tewksbury jumped out on top 2-0 on the strength of a pair of goals by Brian Walsh before the game was five minutes old. MacDonald put Wilmington on the board late in the stanza to close the deficit to one.

Early in the middle frame Don Hudson knotted the score at 2-2 with Steve Winston picking up an assist on the play. Tewksbury's Eric Thorsen put his club on top, 3-2 thirty-six seconds later on an unassisted marker.

In the next minute and a half four goals were scored and the lead exchanged hands twice. Dan O'Connell began the flurry at 6:51 to tie the game for Wilmington at 3-3 only to have Tewksbury's Jim Donahue put his team ahead 4-3 seconds later. Dave O'Connell knotted the score at 4-4 at 7:44 and Tim Mazzapica gave Wilmington its initial lead, 5-4, 20 seconds later with a drive from the tight face of circle, which beat Tewksbury's Tony Jankowski to the far side.

John Curran made it 6-4 for Wilmington at 1:50 of the final frame and looked as if the tide was about to turn. However, the

Tennis Club opens outdoor season

The Wilmington Tennis Club will open its 1974 outdoor season with a series of three scheduled events for the months of April and May. The singles ladder will get underway within the next few weeks, as the nets go up on the town courts. Ladder competition will start in mid-April, running through October, with awards to be presented for outstanding performances in various categories, at the Break-Up Banquet in October. The first weekend mixer will be held for club members on the last weekend of April, the 27th and 28th, with further details to follow within the next two weeks.

Easter egg hunt

Wilmington's fourth annual Easter egg hunt sponsored by the Recreation Department will take place on Saturday afternoon, April 13, at 2:00 in the Town Park.

This annual event is intended for youngsters through age eight with parents permitted to assist those through the age of five.

The younger age group, five and under will again have a section of the park all for themselves.

Over 500 life size chocolate Easter eggs will be hidden through out the park with special prizes going to those who find the special prize eggs, hidden behind rocks or in trees - or just anywhere!

WILMINGTON YOUTH HOCKEY

Correction: There was an error in last week's edition in the intramural playoffs between the Canucks and the Kings. It was reported that Brendan Kelly scored the game winner at 3:40 of the second overtime period, to give the Canucks a 5-4 win. The goal should have been credited to David Dave, unassisted. The mistake is due to the fact that there are two number 12's on the same team.

Mite A (Playoffs)... Monday night the A's defeated Haverhill 4-2 in the second game of four playoff games. Kevin Smith opened the scoring in the first period assisted by Jim Newhouse and Ray Durling following a beautiful exchange of passes. Haverhill tied the game early in the second frame, but that was erased quickly as Ed Harding pumped in two goals on superb passing set-ups, one from Jeff Brown and the other from Brown and Robson. Robson completed the scoring late in the period assisted by Brown and Palmer. Haverhill scored their second and last goal in the final frame as both Al Sonnenberg and Pete Gentile closed the door.

Mite B (19-23)... The B's rolled to their ninth straight win and clinched the league championship in addition to the league title by drubbing Reading 5-0. Bill Barrett opened the scoring midway through the first period. In the second frame Mike Kidd combined with Brian Sughrue to give the B's a 2-0 lead. Sughrue added another score before the period ended with assists going to Kidd and Dennis Moran. In the third period tallied and unassisted marker which was quickly followed by Barrett's second goal assisted by Sughrue and Jim Smith. "Steady Eddie" Laquidara registered his 14th shutout in 23 games with some excellent stand-up goaltending, congratulations go to all the B's for their outstanding effort this season as the "Ragamuffins" became champs.

Saturday the B's will play their last game of the season vs Hyfield at 4:30 pm.

Squirt A (Playoffs)... In the third round of the playoffs the A's were nipped by Chelmsford, 4-3 last Sunday. After the first period Wilmington trailed 3-1, on a tally by Mark Boudreau assisted by Sean O'Donoghue. In the middle frame each team exchanged goals. Bob Lowmyer from Boudreau and Frank DiVita put the A's behind 2-2. Boudreau picked up his second marker in the final stanza to close the gap to one with Benny Sconaro assisting on the play. Goaltender Keith Ford was pulled in the final minute but to no avail. Wilmington's playoff record is 0-1-2.

Squirt B (Playoffs)... The B's outshot North Reading 30-4 and came away with a 4-0 win last Sunday. Ted Moran opened the scoring in the first period with an unassisted goal. In the second period Wilmington struck twice: Ron Greenberg, unassisted and John Cushing from Bob Marnalino gave the B's a 3-0 cushion. Greenberg closed the scoring in the final frame with Jeff Stoffer, garnering the lone assist.

Pee Wee B (15-7)... Last Saturday the B's were blown off the ice by Wakefield 7-1. The lone tally of the long afternoon was by Rich Robinson assisted by Mike Heatrice. On Saturday the B's take on Reading at 8:10 pm.

Pee Wee A's... Dropped a close decision to Tewksbury, 3-2. Tewksbury took a 2-0 lead with a goal in the first period and one in the second. Wilmington tied it in the second period with goals by Billy McCann, assist to Dana Kidd, and Dana Kidd assisted by Billy McCann. Tewksbury scored their final and game winning goal in the second period. The third period was scoreless. The A's were outshot 19-8.

On Sunday the A's with a super effort from the entire team tied Stoneham, 1-1. Wilmington outshot Stoneham 25-19 and outplayed them throughout the game, but were unable to penetrate the Stoneham goaltending. Wilmington's goaltending was also superb. Goal for the A's was scored by Steven Michle with assist going to Matty Kinn.

Pee Wee C (10-3)... The C's demolished Winthrop last Saturday 7-1 to close out their regular season. Wilmington got rolling in the first period on a pair of goals by Bill Hanson. Assisting on the markers were Brian Bulger and Mark Lanni. In the middle frame Wilmington added three more goals to lead 5-1. Brian Bulger, Bob Taylor and Steve Shannon all lit the scoring lamp with assists going to Mark Potom, Hanson and Lanni closed out the scoring in the final period. Assist went to Taylor, Scott Elliott, Scanlon and Joe LaLiberte.

Good luck to Bobby Taylor who moved to Florida this past week. He had eight goals and five assists for 13 points.

Wilmington will play one playoff game Saturday against Billerica, time has not been listed.

Bantam A (16-21)... Trailing 3-1 at one point, the A's rallied to tie the Winthrop, only to lose with eight seconds to go, 3-3. Next Monday Wilmington battles Cambridge at 5:30 p.m.

What is a house in the contemporary style? A house which is contemporary has the sort of plan and decor that can go with almost any kind of furniture.
A contemporary house does not accentuate any particular feature. It does not look Spanish, Oriental, or Dutch. It does not belong to any particular period.
A contemporary house is very desirable to some people for all of these reasons. What sort of a house do you want?
It's something to think about before you buy!
Small house or large, A. & M. Fenton Realty Inc., 104 Lowell St., Rte. 129, Wilmington, 658-3221 or 944-6457 invites you to call us first with your listing for the extensive exposure that brings you prompt and profitable results.
We take pride in meeting your real estate needs with highly personalized service and professional competence. Open 9 to 5 seven days, evenings by appointment.
Helpful Hint: Make sure the interior of the house you're interested in will complement your present furniture. Replacements can be costly!

**Cain accuses Sargent team
of irresponsibility**

Rep. Fred Cain of Wilmington accused the Governor and two of the Secretaries in the State House of "financial irresponsibility" with reference to the two new wings of the Tewksbury State Hospital. The Governor, he said, is depriving the sick and elderly residents of the Commonwealth of hospital care. Some have been on a waiting list since 1973, and desperately need hospital care, and immediate entrance to the new \$6 million \$40 bed facility just built at Tewksbury.

The facility has been ready for occupancy for several months, Cain said, and charged that neither the Governor nor his appointees, Secretary Goldmark nor Commissioner Bicknell have seen fit to request funds for the staffing, in

the 1973 budget. No request was made when the budget was presented to the legislature. The failure, Cain said, will delay the opening until 1978, and the taxpayers' investment in the new facility will be lost until that time.

Cain has requested money from the House Ways and Means Committee to fund the new staff for the facility, and begin an orderly occupation of the new wings. The money he had requested, he said, would give the taxpayer a return on the investment of nine millions.

The House Ways and Means Committee yesterday funded \$1 million on Representative Cain's request. The money is expected to open up the new wings, and start the operation of the new facility. By the end of the year there should be 50 beds ready for use.

**New home for
Reading Savings Bank**

IT WON'T BE LONG NOW: Before completion of Reading Savings handsome new bank building at 123 Haven Street, Reading. A grand opening is scheduled for this June.

Work on the handsome new Reading Savings Bank building at 123 Haven Street, Reading is proceeding on schedule according to Robert E. Stewart, president of the institution.

He said that present plans call for moving out of their Main Street office location in Reading, into the new quarters in June.

The new modern structure will contain more than ten thousand feet of banking area, nearly three times that available in the present building.

As a result the bank will be able to add a number of new services

for the convenience of patrons which will include walk-up, drive-up window, ample customer parking, for 30 cars, enlarged safe deposit facilities, additional teller windows plus extra banking hours.

The exterior of the structure tastefully designed to fit into the decor of other buildings in the area is finished in red brick and trimmed with sand colored limestone fascia.

A striking feature is the generous use of large plate glass windows which are installed on both the first and second floors on three sides of the building.

Aside from enhancing the building's appearance the windows are functional as well, since they permit an abundance of natural daylight to brighten up the interior of the bank.

Inside the front entrance customers will pass through an all weather vestibule flanked by the walk-up window on one side and a special "after hours" customers room to the right. From here an attractive winding staircase leads to offices on the second floor.

Beyond the vestibule is a

spacious lobby area and the tellers counter which has eight stations to insure no delay in service. Also on the first floor are six glass paneled offices for staff use.

The entire lobby floor will be surfaced with sand colored imported Travertine tile to contrast with the wall to wall carpeting laid throughout the rest of the bank.

The second floor will be devoted largely to a substantially expanded installment loan department, plus a trustee room, bookkeeping department, a room for mortgage closings and employee's luncheon.

"When our new building is completed," Mr. Stewart said, "Reading Savings Bank will be one of the most modern and up-to-date financial institutions in the entire Northshore area. With this will come a whole new dimension in banking convenience for our growing number of customers in Reading and surrounding communities."

The architects are Kenneth F. Parry Associates of Quincy. J. Reardon Co., of Norward are the general contractors.

HISTORICAL COMMISSION APPOINTEES: Susan Walker (left) of State Street and Laura Lombardi of Lawrence Street are the High School students who have been appointed to the Wilmington Historical Commission as a part of Student Government. They are shown with Miss Hope Hathaway, Commission member.

**WALKER-BOUTWELL
ANNUAL SPRING DANCE**

The Walker School Mothers' Club in conjunction with the Boutwell School Mothers' Club will present their annual spring dance at the K of C Hall, Wilmington on Friday evening, May 10th.

Anyone interested in attending should contact a mother of either the Walker or the Boutwell School.

**Middlesex College
classes in Wilmington**

The Middlesex Community College is to have classes for Wilmington residents in Wilmington High School, beginning in September. Letters have been exchanged between Walter Pierce, Superintendent of Schools and John H. Kendrick, Associate Dean, confirming the agreement.

Three classes are to be held in Wilmington High School on Tuesday nights, and another three on Thursday nights. There will be a \$30 charge for each subject.

Subjects being offered include: School Law; Development Psychology (child); and Home Repair on Tuesdays, and on Thursdays: Typing I; Human Relations; and an eight session course on Chapter 766, the law which has just gone into effect offering equal education opportunities, and which is somewhat controversial in the communities of Massachusetts.

There will be, in May or June, a pre-registration session testing the marketability of the courses by requiring a \$20 deposit per course from people.

Walter Pierce, Superintendent of Schools, regards the coming of Middlesex College to Wilmington a real boon to the people of Wilmington. He looks at the venture as a "triple thrust" for Wilmington.

There are programs at present in Arlington and in Woburn. The Middlesex Community College is a fully accredited institution of higher learning, accredited by the Executive Committee of the New England Association of Schools and Colleges.

It is one of the Regional Colleges established in recent years in Massachusetts, starting in 1970 with about 1200 students. At this time the number of students has grown to over 2500. Woburn, last year, had 77 students in the college, Billerica 47, Tewksbury 23 and Wilmington nine. The last is a number that Pierce expects to grow, as a result of the evening

classes to be held in Wilmington.

The college has a number of programs in Liberal Arts and Science, Liberal Studies, Business Administration, Dental Assistant, Medical Laboratory Technician, Secretarial Arts, Radiological Technician, Medical Assistant, Dental Hygiene and Nursing. It also has a competent sports program and special interest organizations, including a newspaper, literary magazine, yearbook, and a number of clubs for Skiing, Chess, Veterans, etc.

The college is based in Bedford. Dr. James E. Houlihan Jr., is the college president.
